^{*} For Levies that began in the past two years, levy rates of previous similar voter approved measures are included for comparison.

This information is provided by each of the districts listed. In order to calculate your voter approved contribution, multiply your net taxable value listed for the year (which is found on your Assessment Notice or tax bill) by the levy rate for the voter approved bond. Example: Net taxable value (\$200,000 x .002328087)=\$456.62

^{**} Levy is authorized through a judgement ordered by the District Court, Sixth Judicial District, case CV-18-11.
