Wetlands Determination
Is this property considered "wetlands"? Yes <input type="checkbox"/> No <input type="checkbox"/>
If yes, a Corps of Engineers permit must be presented with application for plan check.

Applicant's Certification/Signature: I certify that construction will not begin until permit is issued.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. I also hereby authorize access to property and/or structures for the purpose of inspections and verification of information provided herein.
